

BRIDGE TRAVEL HOLIDAY ENROLMENT ENTRY

Complete the entry form below and send it, together with \$100 per person per event deposit and we will immediately book you in and send you complete itineraries with our letter or email of confirmation.

For those who enter more than 1 of our attractions

We will give you a \$20 per person per event concession from your final price for all breaks or holidays entered on this multiple entry form.

Non bridge playing partners and friends

Please specify if any entered are not bridge players. Not only will non-players receive a generous concession, but should there be sufficient non bridge players we will organise alternative activities for them while bridge sessions are in progress.

New and developing players

While developing players will be welcome to join in with us and be made to feel comfortable and be looked after at any of these holidays:- the underlined bridge breaks, holidays and special events are specially designed for their needs.

The underlined holidays will have separate instruction and play specifically for developing players (attendance permitting) so that they will not only have a great time but will come home with a vastly improved understanding of our wonderful pastime.
